Volunteer Opportunities for Women Leaders

Weekly Volunteer

In this role you have the opportunity to assist the regular Consultants with the **Girls in Action™** curriculum on a more intimate level with the girls. This role allows you to become acquainted with one consultant group while attending regularly and assisting with attendance, readings, activities and learning during the sessions. Sessions will occur Monday-Thursday (8:25-10:15 am). You will choose one day of the week to volunteer.

Mentoring

Spend at least one hour per month with a girl to discuss her future career plans, college plans, school progress, and/or opportunities to be positively involved in the community. The goal of mentoring is to expose our girls to positive female role models who can inspire them to greater achievements. Sessions will occur during school hours before (7:20–8:20 a.m.) or after school(2:50 –4:00 p.m.)

Academic Tutoring

Goal: To expose our girls to positive female role models who can help them learn better study habits, learn how to get the most out of her classes, and give her strategies on how to better understand the course content. Spend at least one hour a week with a girl to work with her on specific subjects/classes. Sessions will occur during school hours before (7:20 – 8:20 a.m.) or after school(2:50 – 4:00 p.m.) in the school's media center.

Career Coaching

Goal: To educate our girls about what it takes to pursue and succeed in a career while providing them with opportunities to experience the career through job shadows, informational interviews, and at least one visit to your company. The sessions will occur during our regularly scheduled project time – Monday-Thursday, 8:30 – 1015 a.m. You can choose one day of the week to volunteer.

Internships/ Summer Jobs

Goal: To provide our girls with opportunities for paid or unpaid internships and jobs in a particular career as a way to expose them to a variety of careers, giving them first hand professional working experience, and expand their network and resources. Spend at least one hour a week with each girl involved in the internship or job to discuss her progress, lessons learned about the workplace, and her career path. Internships and Jobs opportunities will be offered first to our junior and seniors and will occur based on student schedule and the internship and job guidelines

**** **Volunteers may combine Career Coaching with Internships/Summer Jobs******
